Celebration of Ullambana

是佛弟子修孝順者，應念念中常憶父母，
供養乃至七世父母。年年七月十五日，
常以孝順慈憶所生父母乃至七世父母，
為作盂蘭盆施佛及僧，以報父母長養慈愛之恩。

As a disciple of the Buddha, one who practices filiality should always remember and honor their parents. They should make offerings, extending this reverence to their parents of seven generations. Every year on the fifteenth day of the seventh month, they should remember their parents, and those of the previous seven generations, with filial and compassion. By preparing the Ullambana offerings for the Buddha and the monastics, they repay the deep kindness and nurturing love of their parents.
